**of Nero an Historic Tale (Classic Reprint)** Frederic William Farrar,2015-07-08 Excerpt from *Darkness and Dawn or Scenes in the Days of Nero an Historic Tale* Expressions and incidents which to some might seem to be startlingly modern are in reality suggested by passages in the satirists epigrammatists and romancers of the Empire or by anecdotes preserved in the grave pages of Seneca and the elder Pliny I have of course so far assumed the liberty accorded to writers of historic fiction as occasionally to deviate to a small extent from exact chronology but such deviations are very trivial in comparison with those which have been permitted to others and especially to the great masters of historic fiction All who know most thoroughly the real features of that Pagan darkness which was deepest before the Christian dawn will see that scarcely even

by the most distant allusion have I referred to some of the worst features in the life of that day While I have not extenuated the realities of cruelty and bloodshed I have repeatedly softened down their more terrible incidents and details To have altered that aspect of monotonous misery which pained and wearied its ancient annalist would have been to falsify the real characteristics of the age with which I had to deal The book is not a novel nor is it to be judged as a novel The outline has been imperatively decided for me by the exigencies of fact not by the rules of art I have been compelled to deal with an epoch which I should never have touched if I had not seen in the features which it presented one main explanation of an historical event the most sacred and the most interesting on which the mind can dwell About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Elizabeth Jennings, 2011-07-05 A threat to the Himalayan Kingdom of Nhalia unites Army Captain Mike Shafer and Lucy Merritt an expert restorer of manuscripts A deadly ancient prophecy of the world's end is manifesting and so is their attraction to each other Can they save the world and their chance at love *The Darkness Before Dawn* Alice Cangemi, Cathy Armstrong, 2013-12-22 A Romantic Tale of Recovery from Lost Innocence Meet Dawn a trusting little girl full of life and love Follow her on a journey from childhood to womanhood as she navigates through life trying to forget what happened to her in the shed when she was just six years old Her innocence is stolen her spirit is broken and her soul is damaged She tries to forget but the memories haunt her Will she ever be able to enjoy the intimacy of love without being traumatized by the flashbacks from her past Meet Jerrod a sweet little boy full of love and adoration for Dawn He is her best friend and always has been As time passes he falls deeply in love with her The passion they begin to feel for each other has them experiencing things she remembers from her past Although she craves Jerrod's loving attention their intimate actions feel all too familiar to her triggering dark vivid memories He must unknowingly deal with the aftermath of her atypical childhood comforting her through her pain unaware of the reasons for it Jerrod loves her enough to help her but will she ever be able to tell him the secret that she keeps Experience the intimacy of their young love tainted by the secret that will not

leave her alone See how the shameful actions she works so hard to keep hidden pale in comparison to the deep dark secret eating away at her soul This is a coming of age love story full of childhood innocence first times and true romance Watch as this couple grows up together discovering patience determination and the power of pure love Alice Cangemi has written a poignant romance novel that all women should read According to Psychology Professor Dr Karen Buckman former social worker in child abuse This book is very relevant today Alice Cangemi has written a cautionary story Her book is about survival and resilience and relates how a young girl experiences her first love after sexual abuse This book raises awareness of sexual abuse and sheds light on the trauma it causes This novel will enlighten you as to why a child will not tell you that he or she is being sexually abused why it continues to happen over and over again what kind of aftermath the child may endure and most importantly what you can do to prevent it Although this is a beautiful love story it also carries a powerful socially important message You may visit this author at [AliceCangemi.com](http://AliceCangemi.com) or [TheDarknessBeforeDawn.com](http://TheDarknessBeforeDawn.com) Facebook pages [The Darkness Before Dawn](https://www.facebook.com/TheDarknessBeforeDawn) and [Alice Cangemi](https://www.facebook.com/AliceCangemi) and follow her on Twitter [AuthorCangemi](https://twitter.com/AuthorCangemi) Watch for the next books in this trilogy *The Break of Dawn Facing the Darkness and The Light of Dawn A New Day* *Darkness and Dawn* Frederic Farrar, 1897-11-19 I have endeavoured to choose a title for this book which shall truly describe its contents The Darkness of which I speak is the darkness of a decadent Paganism the Dawn is the dawn of Christianity Although the story is continuous I have called it *Scenes in the Days of Nero* because the outline is determined by the actual events of Pagan and Christian history more than by the fortunes of the characters who are here introduced In other words the fiction is throughout controlled and dominated by historic facts The purport of this tale is no less high and serious than that which I have had in view in every other book which I have written It has been the illustration of a supreme and deeply interesting problem the causes namely why a religion so humble in its origin and so feeble in its earthly resources as Christianity won so majestic a victory over the power the glory and the intellect of the civilised world The greater part of the following story has been for some years in manuscript and since it was designed and nearly completed several books have appeared which deal with the same epoch Some of these I have not seen From none of them have I consciously borrowed even the smallest hint
