Dublins Little Jerusalem:

Dublin's Little Jerusalem Nick Harris,2002 **Migration and the Making of Ireland** Bryan Fanning,2021-11-02

Ireland has been shaped by centuries of emigration as millions escaped poverty famine religious persecution and war But what happens when we reconsider this well worn history by exploring the ways Ireland has also been shaped by immigration From slave markets in Viking Dublin to social media use by modern asylum seekers Migration and the Making of Ireland identifies the political religious and cultural factors that have influenced immigration to Ireland over the span of four centuries A senior scholar of migration and social policy Bryan Fanning offers a rich understanding of the lived experiences of immigrants Using firsthand accounts of those who navigate citizenship entitlements gender rights and religious and cultural differences in Ireland Fanning reveals a key yet understudied aspect of Irish history Engaging and eloquent Migration and the Making of Ireland provides long overdue consideration to those who made new lives in Ireland even as they made Ireland new

Painting Dublin, 1886-1949 Kathryn Milligan,2020-12-06 Delving into a hitherto unexplored aspect of Irish art history Painting Dublin 1886 1949 examines the depiction of Dublin by artists from the late nineteenth to the mid twentieth century Artists representations of the city have long been markers of civic pride and identity yet in Ireland such artworks have been overlooked in favour of the rural and pastoral Framed by the shift from city of empire to capital of an independent republic this book examines artworks by Walter Osborne Rose Barton Jack B Yeats Harry Kernoff Estella Solomons and Flora Mitchell encompassing a variety of urban views and artistic themes While Dublin is already renowned for its representation in literature this book will demonstrate the many attractions it held for Ireland s artists offering a vivid visualisation of the city s streets and inhabitants at a crucial time in its history

Jewish Ireland in the Age of Joyce Cormac Ó Gráda,2016-06-28 James Joyce s Leopold Bloom the atheistic Everyman of Ulysses son of a Hungarian Jewish father and an Irish Protestant mother may have turned the world s literary eyes on Dublin but those who look to him for history should think again He could hardly have been a product of the city s bona fide Jewish community where intermarriage with outsiders was rare and piety was pronounced In *Jewish Ireland in the Age of Joyce* a leading economic historian tells the real story of how Jewish Ireland and Dublin s Little Jerusalem in particular made ends meet from the 1870s when the first Lithuanian Jewish immigrants landed in Dublin to the late 1940s just before the community began its dramatic decline In 1866 the year Bloom was born Dublin s Jewish population hardly existed and on the eve of World War I it numbered barely three thousand But this small group of people quickly found an economic niche in an era of depression and developed a surprisingly vibrant web of institutions In a richly detailed elegantly written blend of historical economic and demographic analysis Cormac Gr da examines the challenges this community faced He asks how its patterns of child rearing schooling and cultural and religious behavior influenced its marital fertility and infant mortality rates He argues that the community s small size shaped its occupational profile and influenced its acculturation it also compromised its viability in the long run Jewish

Ireland in the Age of Joyce presents a fascinating portrait of a group of people in an unlikely location who though small in number comprised Ireland's most resilient immigrant community until the Celtic Tiger's immigration surge of the 1990s

An Irish Sanctuary Gisela Holfter, Horst Dickel, 2016-12-19 The monograph provides the first comprehensive detailed account of German speaking refugees in Ireland 1933-1945 where they came from immigration policy towards them and how their lives turned out in Ireland and afterwards Thanks to unprecedented access to thousands of files of the Irish Department of Justice all still officially closed as well as extensive archive research in Ireland Germany England Austria as well as the US and numerous interviews it is possible for the first time to give an almost complete overview of how many people came how they contributed to Ireland how this fits in with the history of migration to Ireland and what can be learned from it While Exile studies are a well developed research area and have benefited from the work of research centres and archives in Germany Austria Great Britain and the USA Frankfurt M Leipzig Hamburg Berlin Innsbruck Graz Vienna London and SUNY Albany and the Leo Baeck Institutes Ireland was long neglected in this regard Instead of the usual narrative of no one was let in or only a handful came to Ireland the authors identified more than 300 refugees through interviews and intensive research in Irish German and Austrian archives German speaking exiles were the first main group of immigrants that came to the young Irish Free State from 1933 onwards and they had a considerable impact on academic industrial and religious developments in Ireland

[The Dublin University Magazine](#), 1878 **The Bombing of Dublin's North Strand, 1941** Kevin Corrigan Kearns, 2009 On a gloriously starry night four bombs fell the last and most devastating at precisely 2.05 a.m. on 31 May There was a thunderous explosion and the earth quaked Tremors were felt as far away as Enniskerry and Mullingar Panic and pandemonium reigned in a city seized with fear Destruction was astonishing homes and shops in the North Strand were largely demolished 2,250 buildings in the city suffered some bomb damage over forty people were killed about 100 seriously injured many more wounded

Hospitals and morgues filled within hours Almost 2 000 people were rendered homeless refugees It would later be determined that in terms of destructive performance a monstrous perfect bomb had done the deed For two thirds of a century no book was written on what the Evening Herald proclaimed a Night of Horror Later called a seismic event in Dublin s history Finally near the end of the century both the Irish Military Archive and Dublin City Archive declassified their documents on the bombing some stamped Secret for sixty years At last the theories and myths long surrounding the mysterious incident could be examined in the light of real evidence But the heart of a book on so human a tragedy is the oral historical testimony of survivors rescuers and observers who provide graphic eye witness accounts This is a narrative social history of immense human drama An on the scene account of calamity terror heroism and survival And a mystery lingering long thereafter This is the untold tale of a great historical event and human tragedy that has long needed telling

Dublin Voices Kevin Corrigan Kearns,1998 For nearly 30 years Kevin C Kearns has been collecting the memories and recollections of Dubliners on tape His previous books have focused on specific themes such as tenements and pubs Now in this ambitious work he uses the voices of ordinary Dubliners to construct an oral folk history of the city
