Dukes Wager Lord Of Dishonor:

The Duke's Wager and Lord of Dishonor Edith Layton, 2000 Two classic regencies in one volume from one of the romance genre's greatest storytellers Romantic Times In *The Duke's Wager* a beautiful English woman pursued by bachelors in a competition turns the tables on her pursuers and changes the game of love In *Lord of Dishonor* the daughter of a scandalous countess is flung by a twist of fate into the arms of the most notorious rake in the realm *The Dangerous Dr. Langhorne* Ellen Fitzgerald, 1985 *Lady Jane's Nemesis* Patricia Oliver, 2000 After being unofficially betrothed to Roger Hastings for many years Lady Jane Sinclair finally receives a marriage proposal from him But by that time Jane is well aware of Roger's tryst with Lady Horton Jane must lure Roger away from this wanton woman before she destroys Jane's future with the dashing heir to Trenton Abbey LOST: The Love of a Lord Tammy Andresen, He's just been made an earl but he can't tell a soul Mr Ralph Fitzroy is about to receive an entire earldom for good deeds done The catch He needs to perform one more Go to the funeral of the Earl of Kinross and figure out if foul play is involved Easy enough Except for that from the first one major complication is making the entire affair very difficult Miss Clara Welby Beautiful vivacious and promised to his lead suspect She's in his way at every turn and muddling his investigation and his senses There's only one thing to do Use Clara and her connection to Kinross to his advantage Because only a fool would let desire stand in the way of an earldom Which is why he will not succumb to the guilt niggling in his gut Even if he were willing to sacrifice his future for love the lies he's told are piling up so high and so thick how could a woman as perfect as Clara ever trust a man like him The Irish Heiress Ellen Fitzgerald, 1985 *What Do I Read Next? 00 V2* Gale Group, 2000-11 The Rake's Protégée Barbara Hazard, 1985 Anne Ainsworth was just a child when the Earl of Bredon sent her away to be raised as a perfect lady Now as she nears eighteen she discovers it is time to repay her debt and finds herself a pawn in the most devilish game a man has ever played with a woman's honor and heart **Books Out-of-print**, 1986 *Lorenzaccio. The chandler. Prudence spurns a wager* Alfred de Musset, 1908 *Romance Reader's Handbook* Kathryn Falk, Melinda Helfer, 1989 **Bowker's Guide to Characters in Fiction 2007**, 2008-02 Tammy Andresen Tammy Andresen, USA Today Bestselling Author Tammy Andresen lives with her husband and three children just outside of Boston Massachusetts She grew up on the Seacoast of Maine where she spent countless days dreaming up stories in blueberry fields and among the scrub pines that line the coast Her mother loved to spin a yarn and Tammy filled many hours listening to her mother retell the classics It was inevitable that at the age of 18 she headed off to Simmons College where she studied English literature and education She never left Massachusetts but some of her heart still resides in Maine and her family visits often *A Scandalous Scot* Tammy Andresen, The enemy of my enemy When Miss Annie Makem becomes the charge of her horrible uncle her life turns into a nightmare Which is why she had to run away But where can she go in a town that her uncle has eyes and ears everywhere The Scandalous Scot Boyd Lockton known as the Scandalous Scot runs the gaming hell Purgatory He's one of the few men in

all of London who has neither succumbed to her uncle's pressure or fallen for his false charm. He's her one hope of hiding long enough to escape. But how she can convince the Scot to help her. He knows full well the potential for trouble that she's brought to his door. She'll have to make him an offer he can't refuse. *The Viscount to Avoid* Tammy Andresen, 2024-02-06

What if this princess didn't wish to leave her tower? Fern liked being alone, tucked away from the rest of the world. People had a way of being so disappointing. But when a viscount knocks at her door, he makes her an offer she can hardly refuse. Help him gain revenge on her evil stepsister, the very one who chased her into the tower, and he'd give her the means to pursue any future Fern wished. It was the perfect solution, except for one detail: Leaving meant facing the demons of her past. And as attraction crackles between her and her new partner, the Viscount, with a vendetta of his own and a million reasons to double-cross her, she has to decide if the adventure is worth the risk. And what if all her reasons for hiding away from the world turned out to be exactly right? There was only one way to find out. *Duke of Chance* Tammy Andresen, 2022-01-04

This duke will chance anything except his heart. The Duke of Durham, better known as the Duke of Chance, is an unrepentant rake, a gambler, a club owner, and an all-around sinner. Which is why taking over the gaming hell, the Den of Sins, suits him perfectly. And while he knows he'll have to marry at some point, he looks upon the institution the way some might consider having a tooth extracted: The act is to be avoided until the last possible moment. But when an opportunity falls into his lap to have the best of both worlds—marriage and freedom—it's an offer he can't refuse. She's loved Chance forever. How could Lady Daisy Longrove forget her childhood infatuation? He's her brother's best friend, after all. The handsome and powerful duke has never seen her as anything but a little girl. That is until she finally sets her silly girlhood fancy aside and falls in love with another man, one who also happens to be a rake. All right, perhaps she has a type. But when the Earl of Edgemere doesn't keep his promise of marriage, she's all but ruined. That's when Chance makes her an offer: He'll save her by marrying her if she'll provide him with an heir and then allow him the freedom to do as he chooses. It's an offer she likely can't refuse. But all those feelings she'd thought she'd forgotten long ago—they're back with a vengeance. How can she be his wife when she's in love with him, knowing he'll never return her feelings? There is only one answer: Daisy has to find a way to break down the high walls he's constructed around his heart. Can she convince this duke to take a chance on love? *Forthcoming Books* Rose Army, 2000

Masquerade with a Marquess Tammy Andresen, She might be blind, but even she can SEE that he's trouble. The moment Mia's fingers accidentally brush down Lord Kingsley's rippling chest during a chance encounter at a masquerade ball, she knows that her life will never be the same. Because the passion that flares between them is hot enough to melt all her hesitation away. He's hell-bent on revenge. Until the broken little bird, Mia, lands in his path. But enemies take advantage of distraction, and Mia is as stunning as she is passionate, making her the worst kind. And thanks to that one ill-fated evening, she is also now his wife. And perhaps an agent of his enemy. Is she part of the plot against him, or in grave peril at his side? How far is he

willing to go to protect the woman he never wanted but might just be the one person he can't live without It's time to find out

A Vengeful Viscount Tammy Andresen, I've just made a deal with the devil Nellie was the sort of good that other mothers like to use as an example Not hers of course But when an illness ravages her lungs and she's not sure how she'll ever lead a normal life or how long she'll even be alive she decides it's time to really live her mother be damned Or perhaps that's Nellie herself Because the moment Viscount Northville enters her life tempted doesn't begin to describe how she feels He is everything that Nellie is not Older mysterious handsome as sin and he hides the sorts of secrets that give her the chills Which makes him perfect Why shouldn't she taste what is deliciously dark and dangerous before she steps into the light But the problem with making a deal with the devil is that there is always a price to be paid The question is only how much
