Dumbo - The Official Movie Special Dan Jolin,2019-04-02 With Dumbo visionary director Tim Burton brings a beloved Disney animated classic to the world of live action telling the touching story of a uniquely talented baby elephant who changes the lives of a small circus family and makes the world gasp in awe This Movie Special features in depth interviews with stars Danny DeVito Colin Farrell Nico Parker Finley Hobbins Michael Keaton Eva Green and more Also interviews with Tim Burton and the behind the scenes crews including the costume and special effects departments plus stunning photography and concept art from this magical family adventure You will truly believe an elephant can fly *Jumbos and Jumping Devils* Nisha P.R.,2020-06-12 *Jumbos and Jumping Devils* is a pioneering exploration of the social history of circus in India over the last 150 years It presents a wide variety of amazing tales ranging from the blooming and evolution of circus acrobatics in early twentieth century Malabar to the sensational legal battles following the ban of wild animals and children from the circus ring in the twenty first century Alongside extensive fieldwork and interviews the author has used memorabilia including photographs notices posters letters diaries unpublished autobiographies private papers and recollections of the circus community to chronicle the hitherto untold story of the Indian circus The book paves the way for a new sociocultural analysis of performance genres and popular culture in the subcontinent against several overlapping contexts These include the remaking of caste and gender identities transformation of physical cultures and bodies interventions of the colonial and postcolonial states and emergence of new transregional and transnational spaces *Disney A to Z: The Official Encyclopedia, Sixth Edition* Steven Vagnini,Dave Smith,2023-09-26 If you re curious about The Walt Disney Company this comprehensive newly revised and updated encyclopedia is your one stop guide Filled with significant achievements short biographies historic dates and tons of trivia worthy tidbits and anecdotes this newly updated collection covers all things Disney from A to Z through more than nine thousand entries and two hundred images across more than a thousand pages The sixth edition includes all the major Disney theme park attractions restaurants and shows summaries of ABC and Disney television shows and Disney series rundowns on all major films and characters the latest and greatest from Pixar Marvel and Lucasfilm key actors songs and animators from Disney films and shows and so much more Searching for more ways to celebrate Disney100 Explore these books from Disney Editions *The Story of Disney 100 Years of Wonder The Official Walt Disney Quote Book Walt Disney An American Original Commemorative Edition* **Loose Ends** Russell Reising,1996 In this study of American cultural production from the colonial era to the present Russell Reising takes up the loose ends of popular American narratives to craft a new theory of narrative closure In the range of works examined here from Phillis Wheatley s poetry to Herman Melville s *Israel Potter* from Henry James s *The Jolly Corner* to the Disney Studio s *Dumbo* Reising finds endings that violate all existing theories of closure and narratives that expose the the often unarticulated issues that inspired these texts Reising suggests that these non endings entirely refocus the narrative

structures they appear to conclude accentuate the narrative stresses and ideological fissures that the texts seem to suppress and reveal shadow narratives that trail alongside the dominant story line He argues that unless the reader notices the ruptures in the closing moments of these works the social and historical moments in which the narrative and the reader are embedded will be missed This reading not only offers new interpretive possibilities but also uncovers startling affinities between the poetry of Phillis Wheatley and the fiction of Henry James between Charles Brockden Brown's *Wieland* and Melville's least studied novel and between Emily Dickinson's poem *I Started Early Took My Dog* and Disney's animated classic *Pursuing the implications of these failed moments of closure* Reising elaborates on topics ranging from the roots of domestic violence and mass murder in early American religious texts to the pornographic imperative of mid century nature writing and from James's descent into naturalist and feminist fiction to *Dumbo's explosive projection of commercial racial and political agendas for postwar U S culture*
