**Remembering Socrates** Wm. Richard Dempsey, 2009-09 It s clear that we are the authors of Evil We are the ones running with pitchforks Deity is no more than a cardboard cut out barely paying attention if at all Yet so blatant are claims on behalf of the gods in our time that one is compelled to wonder how civilization came to be in such a mess Of course humanity shares the blame perhaps most of it but given the deity s reputation for miraculous cures it is surprising no astonishing that human suffering is still an issue twenty six centuries after Job made his complaint The author remembers the last century as a time of stupendous brutality and cruelty from which humanity has yet to recover The truth is he fears that either we do not know the gods well enough to banish them or that banishment could not come too soon We would do well to remember Socrates and how to apply reason in our lives

[The Fourth Reich](#) Robert Van Kampen, 2009-02-19 Based on biblical prophecy this towering novel creates a chilling portrayal of what will happen in the world s final days Robert Van Kampen one of the leading experts in scriptural prophecy unleashes a dramatic and unforgettable vision of the end times It began forty years ago with an act of cutting edge medical science Today a charismatic politician named Nikolai seizes power kills his enemy and mesmerizes skeptics with his message of a new one world government setting off the seven year period of tribulation As famines and civil wars rock the globe and as prophesied events begin to unfold the truth explodes on an unsuspecting population Nikolai is not just a tyrant he is history s most evil man risen from the dead Once the Third Reich nearly destroyed the world This time it will not fail As the countdown to Holocaust II begins reporter Anatoly Altshuler prepares an exodus for the people of Israel Christian businessman Mike Teasdale sounds the survival call for the people of America and Sonya Petrov once Nikolai s closest adviser realizes her catastrophic mistake As tensions mount friends and families Jews and Gentiles find themselves stranded on different sides of an apocalyptic war between the Antichrist and the Messiah
