Dying to Live Clive Calver,2009-03-10 A book for Christians who crave more from their spiritual lives **All The Things You Never Knew/Certain Things You Ought To Know** Amber L. Carter,2013-01-06 So maybe it's the stakes If you kiss me in the snow I will always wait for you to call first If you trek out alone into the rugged wilderness to avenge your honor I am coming in after you This combined collection of short stories and literary essays by Amber L Carter gives voice to what we wish those who made their way into our hearts could have known and what we still need to know for ourselves after they've made their way out again With the glittering twin cities of Minneapolis St Paul and the quiet woods of northwest Wisconsin serving as a backdrop to her chronicles of pounding love and crashing pain and that pretty ache Carter's keen and unflinching observations of the intricacies of the human heart mixed with a complex vulnerability and a delightfully wry humor make each piece both intensely absorbing and startlingly familiar **Studies in Christian Character, Work, and Experience** William Lonsdale Watkinson,1903 *Harper's New Monthly Magazine*,1871 *A Library of Religious Poetry* Philip Schaff,Arthur Gilman,1880 Religious poetry is the holy of holies of literature In all ages poets have been the interpreters of the finer feelings of humanity and the greatest have treated the loftiest themes that can employ the mind and the heart the relation of man to his Maker and the duties and privileges which arise from it It has been the aim of the editors to make the present collection truly catholic It embraces a body of representative poems of all ages denominations and countries The authors are allowed the fullest liberty of uttering their sentiments in their own words Preface *Hodder & Stoughton's sixpenny novels.
